## What a day at camp looks like

- Our day starts with getting to know one another and going over camp expectations.
- Throughout the camp sessions we will have educational/engaging activities centered around the camp theme, time to play in the museum, and snacks/refreshments provided.
- Kids will take all of their projects home on the second day of camp.

## Education Team

- All of our summer camps are taught by trained educators.
- All museum staff have undergone background checks.
- The Lead Educator and/or Director of Education will be onsite during each camp session.
